Work Experience

Frontend Developer at Creative Agency

May, 2022 - Present

Leverage agile frameworks to provide a robust synopsis for high level overviews. Iterative approaches to corporate strategy foster collaborative thinking to further the overall value proposition.

Junior Web Developer at Indie Studio

Jan, 2011 - May, 2020

User generated content in real-time will have multiple touchpoints for offshoring. Organically grow the holistic world view of disruptive innovation via workplace diversity and empowerment.

Education

Bachelor of Computer Science from RMK ENGINEERING COLLEGE

2019 - 2023

Override the digital divide with additional clickthroughs from DevOps. Nanotechnology immersion along the information highway will close the loop on focusing solely on the bottom line.

Mathematics, Physics and Chemistry from SRI CHAITANYA Jr COLLEGE

2017 - 2019

User generated content in real-time will have multiple touchpoints for offshoring. Organically grow the holistic world view of disruptive innovation via workplace diversity and empowerment.
